SUMMARY

Creative, detail-oriented, web developer with a deep interest in FrontEnd. Proven track record of creating and implementing successful front-end web applications. Looking to bring my skills to a tech company with global reach.

SKILLS

HTML	JAVASCRIPT	BOOTSTRAP 5	GIT	MYSQL
CSS	TAILWIND CSS	REACT.JS	GITHUB	

PROJECTS

TO-DO LIST
- Made a to-do list using HTML, CSS, JAVASCRIPT
- A user may be able to add a to-do, update it, or delete it.
- Using CSS to make page look more stylish and informative.

PING PONG SCORE KEEPER

- There are two users keeping track of their ping pong score.
- The user will be able to select from the best of 3,5,7,9.
- The user who scores first wins the game, the second user is unable to update the score.
- Used HTML, CSS, JAVASCRIPT.
